

CENTRE FOR ROAD SAFETY

SARDAR PATEL UNIVERSITY OF POLICE, SECURITY AND CRIMINAL JUSTICE, DAIJAR-342304 (Jodhpur, Rajasthan, INDIA)

PROGRESS REPORT (2014-15)

ABOUT CENTRE

Centre for Road Safety is an official centre of Sardar Patel University of Police (SPUP) Security and Criminal Justice, Jodhpur, Rajasthan India, situated in the Campus of Rajasthan Police Academy, Jaipur, Rajasthan, India. Sardar Patel University of Police, Security and Criminal Justice, Jodhpur is established by an Act passed by State Legislature, Government of Rajasthan. The Act mandates the University to focus on teaching and research in the field of Police, Social Sciences, Criminal Justice, Public Safety and Security and other related areas.

MISSION/ VISION

To work as capacity building and knowledge centre, developing practical solutions which will reduce death and injury on roads while taking into account our changing road user community and environment.

MANDATE OF CENTRE:

- To organize education research consultancy, training, extension activities and capacity building programs in areas of Road Safety.
- Identify subjects and institutions for research in different areas of road safety and commission and fund research projects and publish research findings.
- Create linkages between research institutions at the local, regional and national levels.
- Establish Centre of Excellence in road safety research and education.
- Create the infrastructure and capacity for multidisciplinary crash Investigation, data collection, reporting and analysis.
- Establish the procedure and methodology for data collection, transmission and analysis at appropriate levels and define the role of different agencies involved in the process.
- Maintain a comprehensive database on road safety related matters.
