SARDAR PATEL UNIVERSITY OF POLICE, SECURITY AND CRIMINAL JUSTICE

Lordi Panditji, Jodhpur- 342037
(Home Department, Government of Rajasthan)

SFSL Sr. Scientific Assistant & Jr. Scientific Assistant Direct Recruitment – 2022

Clarification

Following is the response to the queries of the candidates applying for the posts of SSA and JSA at FSL Rajasthan:

1. Many candidates have been asking whether JSA posts with B.Sc. as essential qualification are open only for the B.Sc. (Honours) graduates. This is clarified here that these posts are open for both B.Sc. (Hons.) and plain B.Sc. graduates with Physics, Chemistry, Mathematics group and Chemistry, Botany, Zoology group.
2. For the posts of SSA and JSA in DNA and Polygraph, along with the Postgraduate/Graduate degree mentioned there, the candidate either should have a certificate or diploma in Computer Applications/Computer Science or should have studied basic computers as one subject in at least one semester or one year of Graduation/Post-graduation. A degree in Computer Science or Computer Application is not required for these posts.
